

Approaching a reader...

When is it safe?

Relaxed reading

- relaxed shoulders
- casual grip on book
- calm face

Safe to approach

Focused reading

- holding book closer
- firmer grip
- focused face

Approach with care

Captivated reading

- shoulders raised
- cherishing book
- captivated face

Approach with great care

Tuned-in reading

- 'in the zone'
- extreme reading
- detached from reality

Approach only in an emergency
